Unless otherwise decided by the Stewards, MRC the maximum number of races for a race day would be 8 (eight) and the minimum number of races for a race day would be 6 (six). In the event of there being more number of races than the above stipulation on a race day by virtue of division of races and in order to limit the number of races as stipulated the excess number of acceptors in the lower rated race/s (first) more than the prescribed field limit of 14 will be rejected by ballot. A horse once rejected/balloted out after acceptance shall not be rejected/included in the ballot on the next occasion (except for sweepstakes race) when the horse/s is an acceptor provided the horse/s has not run after being excluded so as to restrict the field size for each division to 14.

The following order of preference for division will be followed:

Handicap – 80 & Above

Maiden Terms Races

Penalty Terms Races

Handicap – 60 to 85; 40 to 65; 20 to 45 and upto 25.

Note – The time and date for the acceptances of two consecutive race days will be on the same day and in the eventuality of division of race/s, the Stewards reserve the right to divide as many number of races as into as many divisions (not exceeding three per race) as deemed fit. Further, the Stewards may Advance/ Postpone any race/s so as to balance the number of races on two consecutive

race days with a limit of not exceeding 8 races per day and not more than 9 races on derby day.

In case of acceptances time being fixed on same day for two consecutive race days, the owners' / trainers are allowed to lodge a conditional prescribed blue form in the scratching box prior to the scheduled time and date fixed specifying in which race they would prefer to accept their ward in case of entry in two races on consecutive race days if a race/s going void/not getting divided or a horse getting balloted out from a race. Further, any horse/s balloted out on the first consecutive day shall not be balloted out from the second day if accepted. Scratching forms for each consecutive race day should be lodged separately.

However, when such race/s (except for sweepstakes) are not divided due to above stipulation, the excess number of acceptors shall be balloted out so as to limit the field size to 14.

In case of ballot the owner/trainer will have an option/priority of rejections where they can lodge on a pink form giving the order of rejection by ballot. The order of preference for balloting out must be in sequential order.

Division procedure – The list of acceptors shall be first adopted, the order of which shall be the same as published in the handicaps. The acceptors then shall be allotted in that order alternatively to each division. Provided that if a division contains more than one horse in the nomination of the same person, or in the care of the same trainer, the persons authorized to make the divisions may exchange the second of such horses as far as possible with the horse of the same weight or failing such of the nearest weight in another division not so nominated or trained. If there be two or more of the last mentioned horses exchange shall be determined by lot.

In the event of the number of acceptors in a sweepstakes race/s exceeding 16, the excess number of acceptors will be rejected as under.

- i). The rejection of excess number of acceptors will be based on the aggregate value of stakes earned by the horse/s during the current and two proceeding seasons. Horses having higher aggregate value shall be given priority to remain in the race whilst horses with lower aggregate value will be rejected to the field as prescribed. If

- two or more horses are of equal lower aggregate value of stakes, the horse/s shall be rejected by ballot.
- ii). In case of Sweepstakes/Terms races confined to maidens the rejection will be by ballot.
